⚡ CHARGE 2026: Your RBI Grade B 60-Day Crash Course

Designed by Teachers. Backed by Toppers. Made for You.

👋 Welcome Future Officer,

You have 60 days. That's it.

And in these 60 days, you're either preparing like the 99%—scattered, anxious, and overwhelmed.

Or you're preparing like the 1%—strategic, calm, and focused.

This plan is built for the 1%.

Let's break down *exactly* how you will move through each level. Every day is mapped. Every topic is placed with purpose. Your job is to execute.

🔥 The 4 Levels of CHARGE 2026

📖 Level 0 – Planning

Day 1 (Date: 18 April 2026)

🧠 Objective:

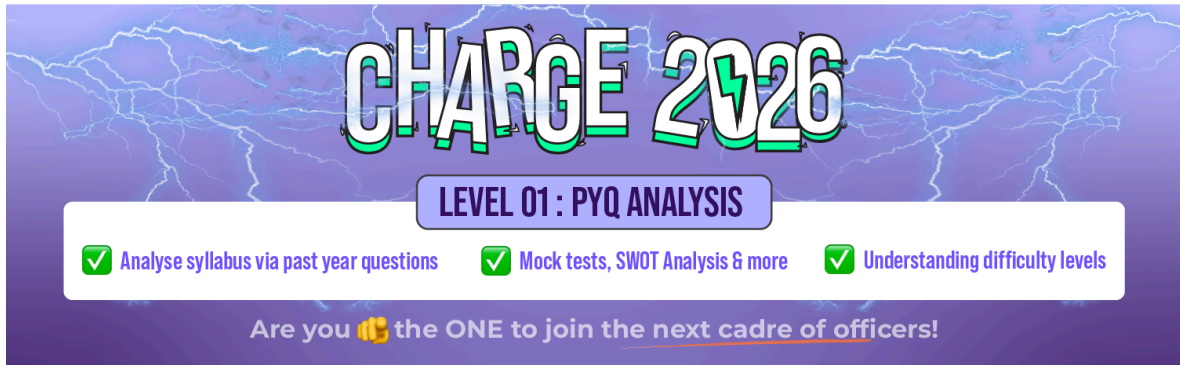

Get crystal clear on the syllabus, strategy, and daily targets before diving in.

📅 Duration:

- 2-hour **LIVE planning session** with mentor
- You'll receive the 60-day schedule + class plan
- Finalise your personal daily study timings

📁 Things Provided:

- Challenge Planner

Level 1 – PYQ Analysis

Day 2–5 (Date: 22nd -28th April 2026)

🎯 Objective:

To decode RBI's actual question patterns, structure, and topic focus — so you stop guessing what to study and start preparing with surgical precision.

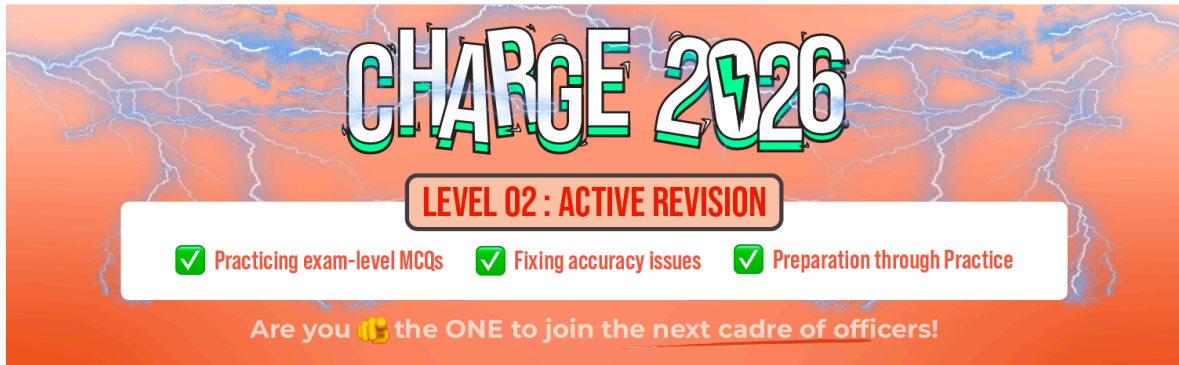

📅 PYQ Classes:

- PYQ Detailed Trend Analysis
- Complete understanding of Most Relevant / Most Important Topics for RBI Exam
- Detailed Study of REAL LEVEL of RBI Exam
- Learn how to use reverse-learning to understand and solve the exam questions

Day	Date	Topic
Day 2	22 April 2026	General Awareness (2024 & 2025 PYP)
Day 3	24 April 2026	English (2024 & 2025 PYP)
Day 4	26 April 2026	Reasoning (2024 & 2025 PYP)
Day 5	28 April 2026	Quant (2024 & 2025 PYP)

🖋️ Mock Test (200 Qs): 22nd - 25th April 2026

- Full-length RBI-style test
- Available for 3 days: 11 AM (First Day) to 7 PM (Last Day) (on platform)
- Analyse results to pinpoint strengths and weaknesses
- This test sets the baseline for your prep strategy

📖 Level 2 – Active Revision

Day 6 - 52 (Date: 30th April 2026 -15th June 2026)

🎯 Objective:

This is the *core* of your preparation — where real transformation happens. We move from planning to deep understanding of exam-relevant concepts through MCQs that will help you prepare while you practice. No distractions. Just crystal-clear learning. We will simulate the real exam environment through intensive MCQ practice, speed drills, and smart revision — so you're not just prepared, you're *performance-ready*.

🕒 Live Classes:

- **77 Live sessions of 3 hours each**
- Live + recorded sessions are available on the app

📚 Coverage:

- Sessions will be designed around **time-bound solving, real-time analysis, and reverse learning**
- Mentors will walk you through **MCQ solving strategies, error patterns, and conceptual backtracking** to strengthen weak zones
- Complete conceptual foundation for **RBI Exam through Active Revision**
- Daily practice of **exam-level MCQs**
- **Speed-building exercises** with clock-based pressure
- **Focused revision** of tricky topics through MCQ-based reverse learning
- **Real-time doubt clearing** to fix accuracy gaps on the spot

💡 What You'll Gain

- Better speed & accuracy under pressure
- Clarity on how to approach questions tactically
- A stronger grip over your weak areas
- A near-exact feel of the actual RBI Grade B exam
- Less scattered, more confident

- You'll start solving questions faster and better
- Concepts will start *clicking* — you'll know you're moving forward
