

EPFO APFC 120 days Planner

⚡ EPFO APFC 120-Day Crash Course

Conceptual clarity. Reverse learning. Exam-ready execution.

👋 Welcome, Future EPFO Officer

You have **120 days** to revise the syllabus, strengthen your concepts and convert your preparation into examination performance.

This programme is designed to take you through two structured rounds:

1. **Conceptual Revision** — understand and revise the complete syllabus.
2. **Reverse Revision and Mock-Test Practice** — learn through exam-level MCQs, identify conceptual gaps and build speed, accuracy, stamina and examination strategy through weekly tests.

Every day has a purpose. Your job is to follow the plan and execute it consistently.

🔥 The Two Rounds of the EPFO APFC Programme

Round	Programme Days	Duration	Main Objective
Round 1	Day 1–Day 60	60 days	Syllabus revision through conceptual clarity and weekly Sunday mocks
Round 2	Day 61–Day 120	60 days	Reverse learning, MCQ revision, continuation of Sunday mocks
Total Programme	Day 1–Day 120	120 days	Revision, reinforcement and examination practice

📖 Round 1 — Conceptual Revision

Objective

To revise the EPFO APFC syllabus systematically, strengthen conceptual clarity and build a solid base before intensive MCQ practice begins.

Live Classes

- **88 confirmed live conceptual-revision sessions** covering subjects in the Round 1 plan.
- Live and recorded versions of the sessions will be available on the app.
- Computer Applications will be provided through dedicated recorded content.
- Sessions will follow a structured, syllabus-focused approach to ensure that every important area is revised systematically.
- Full-length mock testing begins on the first Sunday, with one mock scheduled each week.

Coverage

- Complete conceptual revision of all confirmed EPFO APFC subjects.
- Chapter-wise coverage focused on the topics most relevant to the examination.
- Clear explanation of important concepts, provisions, facts and frequently confused areas.
- Special emphasis on Governance, History, Economy, Labour Laws, Accounting, Mathematics and Reasoning.
- Coverage of the previous six months of Current Events and all major government schemes.
- Weekly Mentorship classes

What You'll Gain

- Strong conceptual clarity across the EPFO APFC syllabus.
- A structured understanding of large subjects without scattered preparation.
- Better retention of important facts, Acts, provisions, formulas and concepts.
- A reliable foundation for the MCQ-based reverse-learning phase.
- Greater confidence before beginning sectional and full-length examination practice.
- Clear identification of strong areas and topics that require further revision.

Round 2 — Reverse Learning, MCQ Revision and Mock Tests

Day 61–Day 120 | Date: 2nd November 2026

Objective

To revise important concepts through exam-level questions, understand how EPFO frames questions, identify weak areas through conceptual backtracking and build examination readiness through weekly Sunday mock tests.

Live Classes

- **49 confirmed live reverse-learning sessions** across the classroom subjects in the Round 2 plan.
- Live and recorded versions of the sessions will be available on the app.
- **REVERSE LEARNING** - Each subject will be revised through approximately **100–200 exam-level questions**, adjusted according to its importance and expected weightage.

Coverage

- Sessions will be designed around **time-bound solving, real-time analysis** and **reverse learning**.
- Mentors will explain **MCQ-solving strategies**, recurring error patterns and conceptual backtracking to strengthen weak areas.

- Exam-level question practice across the confirmed EPFO APFC subjects.
- Reverse Learning of important concepts through questions, options and detailed explanations.
- Scope for mixed-subject MCQ sessions to improve recall and mental switching during the examination.

What You'll Gain

- Better speed and accuracy under examination pressure
- Clarity about how to approach, eliminate and select answers tactically
- A realistic understanding of the expected EPFO APFC question level
- Faster recall of facts, provisions, formulas and important concepts
- Greater confidence as weekly mock performance improves throughout the reverse-learning phase

Method

- Approximately **100–200 questions per subject**, adjusted according to subject weightage and importance.
- Reverse learning from options, explanations and common traps.
- Error-log creation and focused revision of weak concepts.
- One full-length mock test every Sunday from the first week until all 10 programme mocks are completed.
